Online Data Privacy Policy

Furuno Maritime Training processes all data precisely and in compliance with Regulation (EU) 2016/679 (General Data Protection Regulation - GDPR).

To generate your certificate upon completion of your training course, require processing and storing your personal data (name, date of birth, nationality, and email). This information is stored securely in our database to facilitate future validation of certificate authenticity. Your data will only be shared with our training platform provider, www.moodle.com as necessary for the proper functioning of the training application. For detailed information about their privacy policy, please visit their website.

In accordance with the GDPR, you have the right to know how we handle your personal data and to request its deletion. If you wish to have your data deleted or have any questions regarding our Data Privacy Policy, please contact FURUNO Maritime Training via mail or telephone.

EU restrictive measures for Russians

Furuno Maritime Training is prohibited to sell or supply training to a legal person in Russia. In accordance with the EU-wide ban on supply, transfer, or export of maritime products, technology, and services to a physical or legal person, unit, or entity in Russia as stipulated in EU Council regulation 2022/394.

Council regulation (EU) 2022/394

Article 3f

1. It shall be prohibited to sell, supply, transfer or export, directly or indirectly, maritime navigation goods and technology, as listed in Annex XVI, whether or not originating in the Union, to any natural or legal person, entity or body in Russia, for use in Russia, or for the placing on board of a Russian-flagged vessel.

Terms & Conditions page 3/3

2. It shall be prohibited to:

(a) provide technical assistance, brokering services or other services related to the goods and technology referred to in paragraph 1 and to the provision, manufacture, maintenance and use of those goods and technology, directly or indirectly to any natural or legal person, entity or body in Russia or for use in Russia.

(b) provide financing or financial assistance related to the goods and technology referred to in paragraph 1 for any sale, supply, transfer or export of those goods and technology, or for the provision of related technical assistance, brokering services or other services, directly or indirectly to any natural or legal person, entity or body in Russia or for use in Russia.
